Company Comparison  
Sales Rate / Average Sale Price

2007 - 2011

**We measured our sales rate and average sales price compared to our top competitors for the period of time that was one of the most difficult markets in history. For you, choosing the company that has the most proactive marketing program means the highest probability of success. In ANY market.**

*Comparison based on information obtained from the Realtor® Association of Martin County Multiple Listing Service.  
Residential, Condominium and Vacant Land closed transactions volume August 1st, 2007 to August 1st 2011 for Areas 1-14, 7015 and 7110*
